Rick, I agree and would prefer to attend as well.

Given the urgency of the topic, the group is ready for the discussion and wants to move forward. Why don't you folks go ahead with the meeting and Rick and I can catch up with you all next week.

Thanks

Keith

Thanks, Keith. Given the subject matter, I would prefer that we could be there. I am out of town as well, so I lean toward postponing and re-scheduling it. Thanks.

Houston, we have a problem.

Jim and I will not be able to attend this meeting. I think the meeting should still go forwards. The topics and discourse are timely. Matt and Karen are well prepared for the topics for sure. We will all have met internally a couple of times before Thursday to ensure we're all on the same page. If you would rather postpone however, let me know and I can either reschedule or we can just catch it next time.

Keith

We're meeting this Thursday at the City's offices (10th floor) from 1:00 to 3:00

Please take a look at the attached document beforehand.

It's not exactly an agenda; it's more of a description of the issue we are going to grapple with.

This should be an interesting discussion!
